

# MEASURING SHEET

| ROOM NAME:                    | Dimension |
|-------------------------------|-----------|
| Segment A                     |           |
| Segment B                     |           |
| Segment C                     |           |
| Segment D                     |           |
| Segment E                     |           |
| Segment C1                    |           |
| Segment D1                    |           |
| Segment E1                    |           |
| Segment C2                    |           |
| Segment D2                    |           |
| Segment E2                    |           |
| Segment C3                    |           |
| Segment D3                    |           |
| Segment E3                    |           |
| Segment F                     |           |
| Segment G                     |           |
|                               |           |
| Door dimension (LxH)          |           |
| Window dimension (LxH)        |           |
| Distance from window to floor |           |
| Window dimension (LxH)        |           |
| Distance from window to floor |           |

Insert position into the draw if exist more than one item and complete using red coloured related position
